space in your home and yet many people fail to optimise this space.

According to URA, a bay window is a window that is raised at least 0.5m from the floor. You may often spot a concrete ledge below the window itself, which can be turned into storage or for decorative means. While bay windows overseas often protrude out of the profile of the house, it's rare to find such ones locally.

This option allows the bay window to remain the room's focal point. Installing a corner TV mount or a small media cabinet can make this setup look seamless and well-planned. You'll still enjoy the outdoor view and natural light while having a cozy spot to watch TV. Features. TV is placed in a corner, away from the bay window.

If you prefer to see things place to visualise, use masking tape to map out the seat in situ. I went for a straight fronted bench as I wanted a bay window seat with storage and this shape maximizes the storage space. I set the window seat back a bit from the edge of the wall as it would have been too deep otherwise and look out of proportion.
