

Chint New Energy Storage Company

Who is Chint smARTpower services?

Rooted from the business portfolio of Chint group and Chint Solar,Zhejiang CHINT SmartPower Services Co.,Ltd was established (Formerly Horgos CHINT Technology Services Co.,Ltd.) ,which focuses on being a truly specialist for the provision of advanced services for integrated energy power industry.

Who is Chint electrics?

CHINT Electrics (stock code: 601877) is the first A-share listed company in Chinawith LV electrical appliances as its main business. Leading overseas intelligent electrical and clean energy system solutions provider. Deepen localization management,build a world-class enterprise based on the local constantly expanding global layout.

What does Chint do?

Since its establishment,CHINT has always focused on the core businesses of green energy,smart electricity,and smart low-carbon,cultivating scientific and technological innovation incubators and forming a "3+2" industrial system.

How many employees does Chint have?

Its business covers more than 140 countries and regions,with over 50,000 employeesworldwide. In 2023,CHINT's operating revenue reached USD 22.1 billion,and CHINT has been listed among the Top 500 Chinese Enterprises for more than 20 consecutive years.

What is Chint cloud?

Creating "CHINT Cloud" as the carrier of intelligent technology and data application,leading in building the Energy Internet of Things (EIoT) and Industrial Internet of Things (IIoT) platforms,aspiring to be explorers,advocates,and practitioners in the world of low-carbon development.

Is Chint a top 500 company in China?

CHINT has been listed among the top 500 Chinese enterprises for 21 consecutive years. CHINT Electric (Stock Code: 601877) is the first A-share listed company in China with low-voltage electrical appliances as its primary business.
