

Hong Kong style side-slicked back hair

What are the most popular slicked-back hairstyles for Asian men?

Here are a few of the most popular slicked-back hairstyles for Asian men: 1. The Classic Pompadour: This style is characterized by a high-swept front with slicked-back sides and back. This style is perfect for thick, straight hair. 2. The Undercut: This style is characterized by shaved or faded sides and back with a slicked-back top.

What is a slicked back hairstyle?

Slicked-back styles are not just for naturally-straight strands. Curly and textured hair types can sport sleek looks, too. Just turn your head to Yara Shahidi's wavy 'do that's ultra-glossy yet voluminous. To try this style at home, prep the hair with a moisture-boosting hair mask.

Should you slick your Asian hair back?

Use a quality hair gel or pomade to style your hair, and use a comb or your fingers to slick it back. Asian hair is known for being straight, shiny, and sleek. But if you have Asian hair, you know that it can also be stubborn and hard to style. If you're looking for a new style to try, consider slicking your hair back.

Did slicked-back hair make a comeback?

Sleek, slicked-back hair made a fierce comeback on the runways of recent fashion weeks. At Proenza Schouler and David Koma, we saw slightly-wet roots paired with soft tousled waves, while Balmain and Altuzarra presented leaner comb-backs and side-parted iterations.

Does short hair go with a slicked-back bun?

Short hair can get on the slicked-back bun action, too. Take inspiration from model Elsa Hosk, who wears her short hair tied back into a low knot that sits at the nape of the neck. Super stylish, this style will go with everything and anything in your wardrobe - promise! This content can also be viewed on the site it originates from.

Does a slicked back look good on short hair?

The beauty of a slicked-back look is that it works well on all hair lengths. Model Grace Elizabeth shows us just how cool this style looks on a super short, pixie cut. If your hair is naturally frizzy, McKnight recommends using a balm to de-fluff and smooth strands. This content can also be viewed on the site it originates from.
