

How to use the sofa TV in Yifeng Cinema

What is a cinema sofa?

Fully equipped with cup holders and a recliner mechanism, cinema sofas are a type of smart sofa that can really take family movie night to a whole new level. If you've ever wanted to enjoy the movie theatre experience within the comfort of your own home, then our cinema sofas have got you covered.

How do I choose a cinema sofa?

If you'd like to create your very own movie theatre experience, then you need to think about the dimensions of your cinema sofa, as well as how many people will be sprawling on the cushions. For example, a 2 seater cinema sofa is a great choice for those with smaller living rooms or those adding to an existing sofa set-up.

Do you need sofas and chairs for a cinema room?

Layer up armchairs in a row for a classic theatre look or dot around a mixture of sofas and chairs to create your own unique space for entertaining guests. When it comes to re-creating that cinema feeling at home, we certainly have a few suitable sofas and chairs ready for some big-screen viewing.

Should you buy a 4 seater cinema sofa?

If you want the entire family to experience your curated home theatre, then opt for a 4 seater cinema sofa or a cinema corner sofa. These larger home cinema sofas ensure everyone enjoys family film night in comfort and style! What features are available with a cinema sofa?

How does the 4D vibration technology work on a Cinesound sofa?

The 4D vibration technology in your Cinesound sofa can bring you closer to the action than ever before. Each seat of the sofa can switch vibration mode on, choose between two intensity levels, and switch it off independently using the vibration mode buttons. Simply short press the vibration button to cycle through the options.
