Jinko Solar Co., Ltd. (hereinafter "JinkoSolar", NYSE: JKS) is a global solar technology leader characterized by integrated research, development and manufacturing of photovoltaic products. JinkoSolar serves more than 200 countries, is a global leader in photovoltaic sales, and pioneers "vertical integration" in production.

Shortly after, at the SNEC PV Power Expo in China, JinkoSolar unveiled a 610W version of the Tiger Pro panel, making it one of the most powerful panels on the market. The initial release was 530W and built up to 580W, followed by 600W+ as the production volume and cell efficiency increased which is a common practice by most manufacturers.
