

Longtai Photovoltaic Panel Electronics Factory Address

What makes Longi Jiaxing a global lighthouse factory?

LONGi Jiaxing Production Base was selected as a global lighthouse factory, which is strong evidence of LONGi's technology leadership in the world. (1) Flexible automation enabled by artificial intelligence and machine vision

Who is Longi?

LONGi is committed to becoming an advocate, practitioner and leader of sustainable development in the global clean energy field.

What is Longi Jiaxing production base?

LONGi Jiaxing Production Base achieves full coverage of 20 processes, and deploys a total of 784 cameras, collecting tens of thousands of point data. The AI-powered process can display abnormal change trends and yield change trends of the covered processes in real time to assist decision-makers in making quick decisions.

What is the global lighthouse factory?

The essence of the Global Lighthouse Factory is a digital transformation of production. The core is the strategic capability of building an intelligent manufacturing system.

Solar Panels perform at optimum capacity when placed in direct sunlight. When you install your Solar Power system, try to position your photovoltaic panels directly under the noontime sun for maximum efficiency from your photovoltaic unit.. Before Installation, take care of any obstructions to sunlight. Remove all unnecessary obstructions and items such as ...

guangdong longtai industry co.,ltd We directly own manufactory facilities for PET bottles, PE bottles, tube, soap and amenity accessories. With these facilities, we can offer our clients very competitive price, lower MOQ, stable quality, shorter lead time and flexible solutions.

Many solar panel suppliers claim to offer a 1 year, or even longer, warranty. Just keep in mind that this is not a warranty in its true sense. ... OHSAS 18001 certified company.
