

Photovoltaic panel hoisting on the color steel tile roof

Even over the ditch in Australia, where solar-panel uptake is far more advanced, Tesla's once much-hyped solar tile product never made it to market and solar tiles remain a niche product. Reflecting this fact, there's just three Australian companies that install solar tiles, and then only as part of complete-roof packages.

Simply hand form the flashing to fit literally any tile shape to provide a completely watertight installation. Attach the L-Foot to the stanchion. Complete the solar panel installation using SunModo's SMR rail system. Advantages: No More lifting roof tiles, broken tiles or finding rafters. Say Yes to Tile Roof with SunModo's new TopTile Mount.
