

Solar home generator recommendations

Here's our recommendation: if you plan to use the solar generator very often, a LiFePO4 solar generator will have a longer lifespan. But if you only plan to use the solar generator occasionally (e.g. camping a couple times a month and occasional home backup), then a Li-ion NMC solar generator will also last a long time.

EcoFlow Delta 2 solar generator review: A mobile power unicorn EcoFlow Delta 2 solar generator review: A mobile power unicorn By Nick Hilden The best full-suspension e-bikes for 2024 The best full ...
