

Tax rate for solar power generation materials

Is there a zero-rate VAT on solar panels?

A zero-rate of VAT on the installation of energy-saving materials (ESMs), including solar panels, in residential accommodation, was introduced on 1 April 2022. At the time, it only applied to England, Scotland, and Wales. Following a new agreement between the UK and the EU, the zero-rating was also implemented in Northern Ireland on 1 May 2023.

Are solar panels tax deductible in the UK?

According to the UK government's list of Energy Saving Measures (ESMs), most solar photovoltaic (PV) panels installed on residential properties in Scotland, England and Wales (plus Northern Ireland, as of 1 May 2023) are exempt from VAT, meaning there's no VAT included in the purchase and installation costs.

What is the current VAT treatment on the installation of energy-saving materials?

This briefing explains the current VAT treatment on the installation of energy-saving materials in the UK, analyses recent changes, and outlines recent developments. A zero-rate of VAT on the installation of energy-saving materials (ESMs), including solar panels, in residential accommodation, was introduced on 1 April 2022.

Do you pay VAT on solar panels?

If you buy solar panels from one provider and have them installed by someone else, you'll be hit with a standard 20% VAT rate when buying them. Plus, any maintenance or repairs after installation will be at the standard VAT rate.

Do I have to pay tax on solar panels?

Normally, you won't get charged VAT or income tax on this payment if you produce electricity primarily for your own home. However, for businesses and commercial properties, the money made from solar panels, including feed-in tariffs, might be subject to taxes.

Are solar and energy storage installations subject to VAT?

All solar and energy storage installations, including maintenance to existing sites, should be subject to 0% VAT. This should include residential energy storage when installed as a standalone measure.

In re Hero Solar Energy Pvt. Ltd. (GST AAR Haryana) (i) The supply of Solar Power Generating System along with other goods and service of designing, erection, commissioning & installation of the same is classified under SI no. 234 of Notification No. 1/2017-Central Tax (Rate) dated 28.6.2017 as amended vide Notification no. 24/2018-Central Tax ...

This tax and impact note details the introduction of the time-limited zero-rate of VAT for the installation of
