

The wash basin semi-circular mirror cabinet can store on the side

What is a bathroom wall cabinet with mirror?

Yet, a bathroom wall cabinet with mirror is one of the simplest concealed storage options. The perfect bathroom invention, mirrored bathroom wall cabinets provide a mirror and storage space for toiletries, medicines, and cosmetics whilst taking up the minimal wall and floor space.

Why do you need a mirror door above a wash-basin?

A mirror door above the wash-basin eases morning routines and makes the room feel bigger and brighter. Easy to match with ENHET doors and drawer fronts and the furniture you already have at home. This wall cabinet with 2 shelves puts bottles, jars and things often used within easy reach.

What are the benefits of using a mirror above a wash-basin?

One or two mirror doors above the wash-basin eases those morning routines like shaving or fixing the make-up. Easy to match with other things while the mirror glass makes your bathroom feel bigger. 10 year guarantee. Read about the terms in the guarantee brochure. The unique wedge dowels make assembly easy and the fittings are nearly invisible.

How to choose a bathroom mirror cabinet?

When your bathroom has a mirror cabinet with lighting, it is possible to illuminate the entire space harmoniously using just this light source. Another important consideration is the ability to switch between bright lighting conditions for bathroom routines and continuously dimmable lighting for a cosy ambience as required.

Which bathroom mirrors have lighting & mirror cabinets?

Bathroom mirrors with lighting and mirror cabinets are available in a wide range of versions and designs. The Geberit ONE mirror cabinet with ComfortLight is a real all-rounder in the vanity area and combines washbasin illumination with generous mirror surfaces and useful storage space.

Why do you need illuminated bathroom mirrors & mirror cabinets?

Illuminated bathroom mirrors and mirror cabinets not only make sure the room is bright enough, they also help to create the perfect feel-good atmosphere. This includes highlighting your reflection in the best possible light.
